## LETTER OF INTENT

The ELA Certification of the European Logistics Association to students graduated in Logistics and Management in Maritime Affairs and Transport.

### **SUBJECT**

Aimed at developing, enlarging and applying the logistics and supply chain management within the Republic of Croatia and the European Union, as well as at promoting specialised training programs for logisticians, the European Logistics Association (ELA), the Croatian Logistics Association and the Faculty of Maritime Studies in Rijeka have expressed their mutual wish for issuing the professional Candidate European Senior Logistician Certificate (cESLOG Certificate) to students graduated in Logistics and Management in Maritime Affairs and Transport, pursuant to the European Logistics Association Qualification Framework.

### ISSUING CERTIFICATES

Since the year 2005, the Faculty of Maritime Studies in Rijeka has administered a six-semester undergarduate and a four-semester graduate study of Logistics and Management in Maritime Affairs and Transport. Upon completion of the undergraduate study, the student is awarded the professional title of Bachelor of Science (BSc) in Logistics and Management in Maritime Affairs and Transport, while, upon completion of the graduate study, the student is

awarded the professional title of Master of Science (MSc) in Logistics and Management in Maritime Affairs and Transport. The Logistics and Management in Maritime Affairs and Transport undergraduate and graduate study are accredited and approved by the Ministry of Science, Education and Sport of the Republic of Croatia.

Through the Faculty of Maritime Studies in Rijeka, acting as an associate member of the Croatian Logistics Association (HRLA), the European Logistics Association (ELA) and the Croatian Logistics Association (HRLA) are going to issue to students graduated from the Logistics and Management in Maritime Affairs and Transport graduate study a professional certificate pursuant to the European Logistics Association Qualification Framework. The issuing of such a certificate is based on the competences that a graduate student has acquired during the five-year long study program. Holders of the cESLog Certificate can upgrade their certificate to a full ESLog certificate after proving relevant experience for 3 years. The cESLog Certificate is valid for 5 years after issuing.

#### **DURATION**

Pursuant to this Letter of Intent, the issuing of the cESLOG Certificate covers a five (5) year period as from the date of signing it and can be extended if jointly agreed upon by all the signatories involved.

#### **RESULTS OBTAINED**

At five-year intervals, a meeting will be organised by all signatories of the Letter of Intent in order to analyze what effect have the issued Certificates achieved.
